Dear potential LNLA members,

The Louisiana Nursery and Landscape Association is proud to list and promote its membership. Current members of LNLA have access to a long contact list of anyone in need of landscaping material/personnel, plant materials, nursery supplies, or any other nursery/landscape needs.

LNLA welcomes ALL licensed Landscape Horticulturist, Architects, Arborists, Garden Centers, Wholesale Nursery Growers and associated businesses into our organization that would like to become a member, as we would love to have you join our team. At this critical time in our industry it is important to have a strong voice and be recognized as industry leaders. We at LNLA are doing just that.

We can look at some of the most recent events as proof; our tremendous effort to organize and engage all licensed landscape horticulturists in the state to successfully have House Bill 563 proposing to repeal this license brought down, and efforts to organize and get cap relief for our landscapers on the H2B Work Visa Program.

At the new and improving Louisiana Nursery and Landscape Association we can and will deliver our message to anyone who is in need of hearing it. Membership to LNLA is certainly affordable at \$100-\$150 per year depending on the size of your business.

Organize and Engage ... remember the saying “United We Stand, Divided We Fall”!
